**Instructions for Abstract Submission**

The abstract submission process will be online by completing the dedicated page for this purpose.

Click on the "Submit Abstract" field to get started.

You must log in to submit your abstract, if you do not have an account then you must register to create your account and log in.

On this page, you will need to fill in the following sections:

Title: Provide the full title of your submission with a maximum of 20 words. It should be in mixed uppercase and lowercase letters, concise and informative. Avoid abbreviations and formulas where possible. This title will be used for printing in the final program. You may use special characters, as well as superscripts, subscripts, and italic font styles.

Title*

Enter the FULL TITLE of your submission. Use uppercase and lowercase letters. Concise and informative. Avoid abbreviations and formulas where possible. This will be used for printing in the final program.

$\curvearrowleft$ $\curvearrowright$ i x_2 x^2 Ω

0/20

Authors and Affiliations: Provide the names of all authors, including yourself if you are an author, in the order in which you want them to appear in the printed text. Names omitted here will not be printed in the author index or the final program. There will be a section to indicate which author will be the presenter. It is also recommended that the corresponding author fills out the form.

Authors and affiliations*

You MUST enter the names of ALL authors here - including yourself if you are an author - in the order in which you wish them to appear in the printed text. Names omitted here will NOT be printed in the author index or the final program.

Abstract: In this section, enter an abstract of your paper (minimum 250 and maximum 1000 words). The abstract should be written in the present tense and should briefly state the purpose of the research, main results, and major conclusions. You can include a maximum of 2 Figures (in jpg format only). Place the figure caption below each figure. Each figure should be cited in the text.

Abstract*

Please enter an abstract of your paper (min 250 and max 1000 words). The abstract should be written in the present tense. It should briefly state the purpose of the research, the principal results, and major conclusions. You can include a maximum of 2 Figures (jpg format only). Place the figure caption below the figure. Each figure should be cited in the text.

0/1000

Keywords: Enter a maximum of 3 keywords, separated by semicolons (;).

Keywords

Maximum 3 keywords, separated by semicolon.

References: The numbered reference style should be used in abstracts. Please place numbers inside square brackets, e.g., [1], in the text when citing a reference. Citations should be numbered sequentially. List the references in the order of appearance in the text. The reference list should be prepared according to the APA format.

References

I. The numbered reference style should be used in abstracts. Please place numbers inside square brackets, e.g., [1], in the text while citing a reference. Citations should be numbered sequentially. Please list the references in the order of appearance in the text. The reference list should be prepared according to the APA format.

Acknowledgments (optional): List the individuals or organizations that provided support and specify the type of support during the research.

Acknowledgements

List here those individuals or organizations that provided support during the research.

Categories*

Please choose a subject category which best describes your submission.

Track 1. Hydrogen Production: Thermochemical and Photonic Methods
Track 2. Green Hydrogen: Production and Mobility
Track 3. Hydrogen Production: Biological Methods and Biohydrogen
Track 4. Future Perspectives of Conventional Hydrogen Technologies (CO2 Capture)
Track 5. Hydrogen Production: Nuclear and Power-to-Gas
Track 6. Hydrogen Separation and Purification
Track 7. Hydrogen Storage
Track 8. Fuel Cells: PEMFC and AEMFC
Track 9. Fuel Cells: SOFC and other types
Track 10. Integrated Hydrogen Energy Systems
Track 11. Hydrogen Safety, Codes, Standards and Regulations
Track 12. Hydrogen Strategies, Policies, and Social Dimensions
Track 13. Hydrogen Industry, Commercialization and Marketing
Track 14. Hydrogen Economy, Logistics, Infrastructure and Applications.
Track 15. Environmental Impact and Sustainable Development
Track 16. The Role of Women in Hydrogen
Track 17. Latin-American H2 - Industry and Government
Track 18. Roadmap towards Global Decarbonization: Hydrogen International Associations.

Type of Presentation: Please choose your preferred means of presentation: Oral, poster, or both.

Type of Presentation*

Please choose your preferred means of presentation.

Oral
Poster
Either

You can view your completed work to see how it looks by clicking on the "OPEN PREVIEW" button before submitting it.

Permission to publish*

☑ Check this box to give us permission to publish your submission on electronic media and in hardcopy if it is accepted for presentation.

OPEN PREVIEW

Author approval*

☑ I confirm that this submission has been approved by all authors.

Author will attend*

☑ I confirm that at least one author will register in full to attend and present the paper at the Conference.
